

# Sauleda

## TECHNICAL TEXTILES WARRANTY

Sauleda has tested the durability of its fabrics and we want to share our experience. After many years, checks and tests performed at prestigious laboratories show that Sauleda fabrics last longer than the years indicated in the warranty.

However, for your peace of mind we offer a warranty of up to ten years in the case of normal exposure to the sun and to atmospheric agents.

### **What does the warranty cover?**

The warranty covers abnormal damage to the fabric and its colour, and commences on the date it is installed.

### **When does it begin?**

This warranty takes effect from the date of installation.

### **What document is important to preserve?**

To enforce the warranty you should have the installer's bill of sale.

### **What items does the warranty replace?**

The warranty only includes the replacement of the fabric required to restore the fabric.

### **What does the warranty not cover?**

Any part of the awning other than the fabric manufactured by Sauleda, S.A., such as the iron fittings, mechanisms, hanging parts, structures, etc.

Installing the awning and its manufacture and production, installation and maintenance are not included.

Damage to the fabric due to ageing and normal use is not included.

Damages caused by incorrect installation or incorrect maintenance (abrasive cleaning) is not included.

Particularly, the warranty excludes the following accidents, misuse and negligence:

- Insufficient maintenance or the use of inadequate products or tools.
- The incorrect use of detergents, chemicals or solvents, scraping tools or abrasive bushes, or other instruments that could damage the awning fabric.

- Abnormal weather conditions.
- Air pollution, the use of pesticides, soiling caused by animals, bird excrements.
- Mistakes due to installation, errors in handling on the part of the user.
- The fall of objects onto the fabric, cigarette burns, firecrackers, flares or others, fire.
- Placing objects on the awnings, traffic accidents, vandalism...

#### How is the warranty enforced:

Sauleda, S.A. will replace the damaged fabric with a new one.

Sauleda, S.A. shall not be responsible for the cost involved in disassembling the old awning and installing the new one.

The warranty is enforced once the necessary loss appraisals have been made, pursuant to the following terms:

During the WARRANTY PERIOD, Sauleda, S.A. will replace the damaged fabric with a new one, free of charge or depending on the circumstances, excluding expenses, and without paying the cost of dismantling the old awning or installing the new one.
